Sir:

In accordance with the duty of disclosure under 37 CFR §1.56, Applicant is enclosing an Information Disclosure Citation form (PTO-1449) which lists documents for which consideration by the Examiner in the above-identified patent application is requested. It is solicited that these documents be made officially of record therein. It is further requested that a listing of the same appear on the face of any patent which may issue from this application.

Submission of this Information Disclosure Statement should not be construed as an admission that a search has been made or that no better art exists. Additionally, submission of this information should not be construed as an admission that the cited documents are relevant or constitute "prior art" against this application. If any document is applied against any claim

TC 2800 MAIL ROOM

in this application and applicant determines that the document does not constitute prior art under United States law, Applicant reserves the right to submit to the Office the relevant facts and law regarding the appropriate status of the documents. Also, Applicant reserves the right to amend the claims to patentably distinguish from any cited documents.

As an Office Action has not been received in this application, no fees are considered necessary to obtain entry and consideration of this Statement.

Respectfully submitted,

SMITH, GAMBRELL & RUSSELL, LLP
